# I. FREQUENTLY ASKED QUESTIONS

---

## **Why does an elector have to designate a party affiliation?**

As of July 1, 2011, *Idaho Code* requires an elector to declare a party affiliation. This affiliation will determine the elector's eligibility to vote in a particular party's Primary Election. It does not affect the elector's ability to vote in any other election. Party Affiliation is part of the individual's registration data and is public record.

## **What are the recognized political parties in Idaho?**

The four (4) recognized political parties in Idaho are the Constitution, Democratic, Libertarian and Republican Parties. An elector may affiliate with any one of these parties or may choose to affiliate with no political party (i.e. an unaffiliated voter).

## **What does "Unaffiliated" mean?**

"Unaffiliated" simply means the individual is not associating with any political party.

## **What if an elector refuses to affiliate with a party?**

If an elector refuses to make a party affiliation selection, the elector will automatically be registered as an unaffiliated voter (i.e. a voter with no political party preference). This may limit the elector's participation in the Primary Election to the non-partisan ballot only. However, this will not affect the elector's ability to vote in any other election.

## **Can an elector change his or her party affiliation?**

An elector who has affiliated with one of the four (4) recognized parties may change his or her political party affiliation to another party or become an Unaffiliated voter at any time except between the day after the close of candidate filing (March 11, 2022) and the Primary Election (May 17, 2022). If a voter wants to change their affiliation prior to the Primary Election in May, the voter must complete the Idaho Political Party Affiliation Declaration Form and submit it to the County Clerk's Office prior to March 11, 2022.

Electors with no affiliation or those who have registered as an unaffiliated voter may affiliate with one of the four (4) recognized political parties at any time including on Election Day. Electors who are unaffiliated can mark their new party affiliation in the poll book and are not required to complete the Idaho Political Party Affiliation Declaration Form.

## Is a photo ID required at every election?

Yes, *Idaho Code* requires each elector to either show an acceptable photo ID or sign a Personal Identification Affidavit prior to voting at any election. ([34-1106](#), *Idaho Code*)

### **Acceptable forms of ID are:**

1. An Idaho driver's license or identification card
2. A U.S. passport or Federal photo identification card
3. A tribal photo identification card
4. A current student photo ID, issued by an Idaho high school or post-secondary educational institution
5. A concealed weapons license issued by a County Sheriff in Idaho under sections [18-3302](#) and [18-3302K](#), *Idaho Code*.

## What if an individual does not have one of the acceptable forms of identification?

An elector must either show an acceptable photo ID (see *Acceptable forms of ID* on page 2) or sign the Personal Identification Affidavit prior to voting. If an individual does not have one of the acceptable photo ID's, the individual must complete and sign the Personal Identification Affidavit prior to being issued the appropriate ballot(s). No elector is to be turned away or not allowed to vote for not having one of the acceptable forms of identification as long as the elector signs the Personal Identification Affidavit. Every elector that appears to vote should be allowed to vote unless they do not meet the legal qualifications. If the elector signs the Personal Identification Affidavit in lieu of showing acceptable photo identification, the Poll Book Clerk will make the notation "**Affidavit**" in the remarks column to the right of the elector's signature. ## What are the roles of the designated poll watchers and challengers?

Watchers and challengers are people authorized by the County Clerk to be present at the polls on Election Day. Watchers are appointed by a candidate or candidates while challengers are appointed by the political parties. During an election with a ballot question, the County Clerk may allow an individual in favor of the measure and one individual against the measure to challenge voters and to observe the conduct of the election. These authorized individuals shall wear a visible name tag which includes their respective title.

Individuals authorized to serve as watchers may watch the conduct of the election at the polls and the counting of votes. While watching the counting of the votes, they are not allowed to absent themselves except for brief breaks until the polls are closed so that results are not released prior to the close of the polls throughout the state. Individuals authorized to serve as challengers may challenge electors' registration as they offer to vote. ([34-304](#), I.C.) Challengers are not appointed to challenge the voting process or the activity at the polling place. They are only there to challenge electors' registrations.

Watchers and challengers are not to interfere with the electors or the voting process. If you feel that a watcher or challenger is interfering with the duties of the Election Board or the voting process, contact your County Clerk's Election Office or courteously point out what their role as a watcher or challenger is.

## Who can challenge an entry in the Election Record and Poll Book?

Besides the Election Board and the persons authorized by the County Clerk to serve as challengers, any registered elector may challenge the entry of an elector's name as it appears in the Poll Book. Such a challenge will be noted in the remarks column following the elector's name stating the reason, such as "died," "moved," or "incorrect address." The individual (i.e. designated challenger, elector or Election Clerk) making the challenge shall sign his name following the entry. (34-431, I.C.)

## When is the Oath of Challenged Person (E-7) tendered?

If an elector's name as it appears in the Poll Book has been challenged with a challenged notation and the elector appears to vote, one of the Election Clerks must declare the qualifications of an elector to such person. If the person declares himself duly qualified and the challenge is not withdrawn, the Election Clerk shall tender him the Oath of a Challenged Person (E-7). No challenged elector shall have the right to vote until he has subscribed to the Oath of a Challenged Person. (34-1111, I.C.)

## Does the challenged elector need to sign the Poll Book after having subscribed to the Oath of a Challenged Person?

Yes, the elector must sign the Poll Book in the Signature of Voter Column to the right of their name. The Poll Book Clerk enters the word "sworn" following such elector's name and signature in the Remarks Column of the Poll Book. (34-1106(2), I.C.)

## What if an elector, because of physical disability, cannot enter the polling place?

Such elector may be issued the appropriate ballot(s) outside the polling place by one of the Election Clerks. The elector will have someone inform the Election Clerks that they are there to vote curbside. An Election Clerk will take the elector the Poll Book or Poll Book page with the individuals' name on it along with the appropriate ballot(s) and secrecy sleeve, if required. The elector will sign the Poll Book and show acceptable photo ID (see *Acceptable forms of ID* on page 2) or sign the Personal Identification Affidavit.

Then in the presence of the Election Clerk but in a secret manner, the elector will mark and return the ballot(s) to the Election Clerk. The Election Clerk will then return the voted ballot(s) to the Receiving Clerk where the ballot(s) will be recorded as being voted and deposited into the voted ballot box. Whenever an elector receives assistance in this manner, a Clerk shall make a notation of "assistance" in the Poll Book following the name of the elector.

## What if an elector is unable to record his vote personally?

Any elector who, because of blindness, physical disability or other disability is unable to mark the ballot(s) may vote independently by using the Ballot Marking Device or may receive assistance from one of the Election Clerks or by any individual of their choosing.

If the elector chooses to vote independently by using the Ballot Marking Device, the Ballot Marking Device should be demonstrated. This unit will either mark an oval ballot or ballot card or print a ballot after the elector has made his selections on the touch screen, Braille keypad, or with a puff and sip device. The Ballot Marking Device also has an audio ballot available for use by those who are visually impaired.

If the elector chooses to receive assistance from an Election Clerk or an individual of their choosing, such individual shall ascertain the wishes of the elector and mark the ballot accordingly. The individual giving assistance shall thereafter give no information regarding such marking. Whenever an elector receives assistance in this manner, the Poll Book Clerk shall make the notation of “**assistance**” in the Poll Book following the name of the elector. (34-1108(2) and 34-2427(2), I.C.)

---

**IMPORTANT:** The choice of voting with or without assistance shall be left to the elector.

### Can we post or display the list of write-in candidates, if there are any?

No, the list of Write-In candidates is not to be posted or displayed within the polling place. Doing so may be construed as Electioneering, which is prohibited by Idaho Law.

### What if an elector asks if there is a write-in candidate for a specific office?

If an elector asks if there is a write-in candidate for a specific office or race, you may give the elector the name of the write-in candidate that the elector is requesting.

### What if there is a vacancy on the Election Board?

In the absence of a Chief Judge, the County Clerk will designate a new Chief Judge.

In the absence of an Election Clerk, the Chief Judge should designate a qualified replacement. If Election Clerks were assigned based on their political party, the replacement should be of the same political party.

Any person thus designated to fill a vacancy must take and subscribe to the Oath of Office for Members of the Election Board on the front cover of the Poll Book.

### Can political signs be posted on or around the polling place?

No person shall do any electioneering or circulate petitions on Election Day within any polling place, or any building in which an election is being held, or within one hundred (100) feet thereof. For specific prohibited activities, refer to the Election Laws book under Title 18, Chapter 23. (18-2318, I.C.)

### What do we do if there is a disturbance within the voting area?

The Election Clerks may appoint some capable person to act as an Election Constable. He shall allow no one within the voting area, except those who go to vote and shall allow but one (1) elector in a compartment at one (1) time unless the elector has requested assistance. The Constable is to see that the election is conducted in an orderly manner. Notify the County Clerk's Election Office of any disturbances within the polling place. You may also contact the local police department or sheriff's office, if necessary. (34-1105, I.C.)

---

---

### **Once the ballot is in the ballot box, can it be removed?**

No, once a ballot is placed in the ballot box, it is considered voted and cannot be retrieved for any reason. The ballot box shall only be opened at the end of the Election Day when prepping for transport to the County Clerk's Office, unless duplicate boxes are being used for counting purposes.

### **What if the Ballot Marking Device becomes defective?**

If a unit does not operate properly at the polls, Election Clerks are to follow the troubleshooting checklist provided by the vendor and document the troubleshooting procedure. Documentation is essential to correctly identify and explain problems. Call the County Clerk's Election Office immediately to notify them of any issue with the unit regardless of whether following the troubleshooting checklist corrected the issue or not. If after following the troubleshooting checklist, the unit still does not function as it should, turn the unit off but left in place until a county worker or vendor representative, wearing identification as an Election Clerk, can repair or replace the unit.

---

**NOTE:** An elector should not be denied their right to vote because they do not have one of the acceptable forms of identification. They should be given the Personal Identification Affidavit to complete unless there is the notation "Registered by Mail - ID Required" in the poll book next to their name. If the elector has the notation "Registered by Mail - ID Required," the elector is not allowed to sign the Personal Identification Affidavit and must show identification, as required by Federal Law. ---

## GENERAL ELECTION & PARTY AFFILIATION

Although an elector must affiliate with one of the 4 recognized political parties or designate themselves as "**unaffiliated**" when registering, Party Affiliation only applies to a Primary Election and limits the elector's ballot options in a Primary Election. This does not limit the elector's voting in any other election.

1. For the Primary Election, proceed to *Primary Election Ballot Options* (on page 13)
2. For the General Election, proceed to *Assistance to the Voter* (on page 13)

---

---

## PRIMARY ELECTION BALLOT OPTIONS

---

**IMPORTANT:** The Democratic Party's Primary will be open to electors affiliated with any party including "unaffiliated" electors. The Republican Party's Primary will be open to only those affiliated with the Republican Party. The Libertarian Party's Primary Election (if necessary) will be open to those affiliated with the Libertarian Party.

If this is the case, be sure to mark both the partisan checkbox and non-partisan checkbox on the poll book for the voter. This will assist at the end of the night when you are completing the Ballot Accounting Page.

---

## ASSISTANCE TO THE VOTER

Whether an elector chooses to vote the Oval Ballot without assistance or use one of the following options for assistance when voting, the decision is left to the elector. Although the Ballot Marking Device is available in every polling place, an elector may still request assistance from another person or utilize curbside voting. All electors have the following options for assistance when voting: Using the Ballot

---

---

Marking Device, Receiving Assistance from Another Person, or Curbside Voting.

## RECEIVING AND PROCESSING ABSENTEE BALLOTS

If you receive absentee ballots during the day, please refer to the Procedural Manual for Judges and Clerks of Election for detailed instructions on how to receive, record and deposit the absentee ballots.

An absentee ballot may be challenged in the same manner as other votes are challenged. Refer to the Procedural Manual for Judges and Clerks of Election for detailed instructions regarding how to challenge absentee ballots at the polls.

## EARLY PICK-UP OF BALLOTS, IF APPLICABLE

Sometime during the late afternoon on Election Day, you may be directed by the County Clerk to prepare the voted ballots for an early pick-up. If this is the case, refer to the Procedural Manual for Judges and Clerks of Election for detailed instructions on how to prepare and account for the ballots being transferred to the County Clerk's Elections Office.

## CLOSING THE POLLS
