

Public Hearing Notices

June 11, 2023

Under certain circumstances Boundary County is required, by Idaho Code and local ordinances, to publish legal notices in the official Boundary County newspaper of record, the Bonners Ferry Herald. While publication on this site does not constitute official legal notice, they are posted here to allow the widest possible dissemination of information of importance to residents and property owners in Boundary County. A brief summary of each is provided here; use the link provided to see the full text and additional information relevant to each.

Public hearings may be postponed/rescheduled. Please refer to the Planning and Zoning hearing page (<http://boundarycountyid.org/site-page/public-hearing-notices>) for the latest schedule information.
