District 1 Representative Mark Sauter held a Townhall meeting today at Mugsy's @ 1 pm...  
**AND YOU WEREN'T INVITED!**

Notably, there were no official invitations including social media, email notifications, or public announcements in the Bonners Ferry Herald.

It's unclear who attended the event. The absence of a public invitation raises concerns about the transparency and inclusivity of the Townhall gathering.

Dave Wenk, as the Secretary of the Boundary County GOP, you're entrusted to represent Republican values and uphold the promises made to the voters. Yet, the presence of left-leaning candidate signs in your yard, coupled with Mark Sauter's recent vote against keeping porn out of the minor section of the library (voted NO on H710), raises concerns. Last year, you expressed support for safeguarding minors from such content, yet now it seems questionable.

Are you truly fulfilling the duties entrusted to you by the voters, or are other interests taking precedence over your oath and party values?

taking precedence over your oath and party values?

Dave Wenk, as secretary of the Boundary County GOP (Republican Central Committee), you are voted by the people to be the cheerleader of the Republican party in Boundary County. You are also expected to support Republican values according to the committee's bylaws. However, it appears you and other Boundary County GOP (Republican Central Committee) members may prioritize your local inner circle over following your Oath. 🙄

## BOUNDARY COUNTY REPUBLICAN CENTRAL COMMITTEE

### ARTICLE I. NAME

The name of this organization shall be The Boundary County Republican Central Committee (BCRCC).

### ARTICLE II. PURPOSE

The purpose of this organization shall be to promote Republican philosophy, good government, and to be affiliated with the Idaho State Republican Party, the Idaho State Republican Central Committee and the Republican National Committee. Furthermore, this organization will promote and uphold the principles and values of the Idaho GOP Platform as ratified at the Idaho Republican State Convention held during election years. The Boundary County Republican Central Committee will assist in the election of candidates who will affirm and uphold The Oath of *Office*, The Idaho State Constitution, and the US Constitution as well as the Idaho GOP Platform.

### ARTICLE III. MEMBERS

The Boundary County GOP, with the exception of Greg Lamberty, Mark Moseley, and Mitchelle Moseley, falls short of embodying Republican philosophy, principles, and values. Instead, many committee members prioritize agendas that align more with the left-leaning interests of their inner circle.

Calab Davis, Dave Wenk, Lester Pinkerton, Erik Olson, and Danielle Ahrens are particularly cited for neglecting their bylaws, focusing solely on self-interest and catering to their own close circle. When you look at the Republican clubs in the nearby counties you will notice that Boundary GOP is not aligned... STOP PROMOTING BUDDIES!
